October 17, 2007...Pickering, Ontario...For Immediate Release

Founder of Intellimeter Canada, Warren Beacom, is pleased to announce that he will be hosting an **Open House** at the company's new location at **1125 Squires Beach Road this Friday, October 19, 2007 at 3:00 pm**

Please join Warren, Intellimeter staff and friends, along with Mayor Dave Ryan and MPP Wayne Arthurs for the celebration and ribbon cutting. Refreshments will be served.

Intellimeter Canada Inc. (ICI) is a Canadian owned and operated company specializing in the design and manufacturing of smart electronic sub-metering devices and peripherals. ICI is a Measurement Canada accredited meter testing and sealing facility – a designation usually reserved for much larger companies and public utilities. ICI also has a dynamic research and product development division, which has produced some of the most innovative and reliable metering products seen on the Canadian market.
