PICKERING'S RECOVERCORP NAMED TO PROFIT100 RANKING OF CANADA'S FASTEST-GROWING COMPANIES

Pickering, ON - RecoverCorp announced today that for a second year in a row, it has been named to the 20th annual Profit 100 ranking of Canada's Fastest-Growing Companies, by Profit Magazine.

"The PROFIT 100 are role models for anyone who wants to expand their business domestically or internationally", says Ian Portsmouth, editor of PROFIT. "All entrepreneurs can take great lessons from the product development, human resources and marketing practices of Canada's Fastest-Growing Companies".

Charles Miller, RecoverCorp President and CEO, noted "Our success is made up of small successes across all areas of the company throughout the year. By allowing each operational group within the organization to embrace the entrepreneurial spirit they're free to map their own course to the goals set by management. We (management) give our teams a starting point and a destination, it's up to them to navigate the best route. This is tremendously empowering for individual team members and a big reason for our continued success."

"The City of Pickering is actively working with corporate partners, like RecoverCorp, to create a more dynamic and compelling commercial environment," said Mayor Dave Ryan. "I congratulate RecoverCorp for earning this nationwide recognition, which helps to strengthen Pickering's reputation as a preferred place to do business."
