

Press Release:

Pickering, Ont. – June 04, 2007 – RecoverCorp announced today that it has been named one of the country's fastest growing companies according to PROFIT Magazine's 19th annual PROFIT 100 ranking of Canada's Fastest Growing Companies.

Profit Magazine editor Ian Portsmouth says, "PROFIT 100 companies are the new heroes of Canadian business, creating jobs at home and products used around the world. They've accomplished this by building great employee teams, exploiting export markets and rapidly responding to the customer's fast-changing needs."

"Being ranked in the top 100 fastest growing companies in the country means we are in an elite club of organizations that use teamwork seamlessly in all facets of their operations. This doesn't happen with one or two superstar employees. This is all the moving parts working in unison with one vision, with one goal." says Charles Miller, President & CEO.

"It is through outstanding organizations such as RecoverCorp that the City of Pickering was recognized by Profit magazine in 2006 as one of the Top 10 Cities in Canada to Grow a Business" said Mayor Dave Ryan. I congratulate RecoverCorp for receiving this distinction which helps strengthen Pickering's reputation as a dynamic place to do business."
