4.0	Site Plan Review – S02/07	
	<ul style="list-style-type: none"> • S.R & R Bayridges Plaza Ltd., Part of Block Y, Plan M16 (1215-1235 Bayly Street). • Kelly gave an overview of what was discussed at previous meetings. She also gave Chuck an introduction to the committee and went through what the Committee ‘does’. • Chuck questioned as to whether or not ramps to get up on the sidewalks were close to the parking lots. He mentioned that sometimes the position of these ramps pose a danger because they come up right behind where cars are driving. 	
5.0	Correspondence	
	<ul style="list-style-type: none"> • Mr. Grady & Councillor Pickles & CORR 13-07. • Accessible Pedestrian Signals. • Councillor Littley reviewed the application conditions for these chirping signals. • Prem to follow up with Stephen with regards to the costs of the installation of these chirp signals. From the discussion at the Regional Accessibility meeting on Tuesday March 27th, it appears as though the Region will be providing for the costs of these. • Councillor Littley suggested that Lisa contact Mike Pelzowski to see if there have been any evaluations done on the City’s crosswalks to see if there is a need for signals and if so, where this has been done. The Committee might consider applying to see if we are eligible. 	<p>Prem to action.</p> <p>Lisa to action.</p>
6.0	Other Business & Adjournment	
	<ul style="list-style-type: none"> • Discussion ensued on promoting the Durham Region Specialized Transit Services. • It was suggested that the Committee create a brochure for Durham Region Transit to distribute to their riders to promote the Committee. Also, the Committee would like to work on promoting the Specialized Transit Services through the website and the Committee’s brochure. • The Committee briefly discussed the Workplan for 2007. It was decided that the Committee would focus on awareness and “getting out into the community”.
