On March 29th, the 2010 Current and Capital budget was approved.

The Pickering **Accessibility Advisory Committee (PAAC)** appeared before Council to provide their 2009 Annual Report and 2010 Work Plan to Council. In 2010, the Committee will be organizing an accessibility forum, increasing education initiatives and strengthening PAAC's role in the community.

Frenchman's Bay Stormwater Management Master Plan

The Frenchman's Bay Master Plan provides a comprehensive strategic direction towards implementing the necessary projects, policies and programs to achieve the overall goal of controlling the quantity and quality of stormwater runoff entering Frenchman's Bay. Council received and endorsed the Plan, and requested an annual report to Council on results achieved.

See Report OES 04-10 for further information.

PAC4Teens appeared before Council to provide an overview of the group's activities and program involvement, including the launch of a Facebook page and TWITTER group.

On behalf of a request made by the Pickering Museum Village Advisory Committee, Council approved the naming of the newly restored heritage building at the Pickering Museum Village the **Brougham Temperance House**. This name was discovered through research conducted by Andre Scheinman, Heritage Consultant, who discovered that this building once advertised accommodations under this name.
