

**A message from Pickering Fire Services**

# **Basement Apartment Renovation or Installation?**

Basement Apartments must meet the safety requirements of the Ontario Fire Code or Ontario Building Code and be registered with the City of Pickering, Fire Services Division

**Make fire prevention your intention**

For information on basement apartment safety requirements or to view the information pamphlet visit [cityofpickering.com](http://cityofpickering.com), call Pickering Fire Services at 905.839.9968, or contact your local Fire Department.
