## Children's Fitness Tax Credit

As you may be aware, the Government of Canada has introduced the Children's Fitness Tax Credit. Effective January 1, 2007. The Children's Fitness Tax Credit allows a non-refundable tax credit on eligible amounts of up to \$500 paid by parents to register a child (under the age of 16) in an eligible program of physical activity.

There are additional provisions for children eligible for the Disability Tax Credit. In this case, there is a separate \$500 non-refundable tax credit for participants with disabilities (under the age of 18).

Visit [www.cra-arc.gc.ca/fitness/](http://www.cra-arc.gc.ca/fitness/) for more information on Children's Fitness Tax Credit, the Disability Tax Credit and for details regarding eligible programs.

In this brochure, the City of Pickering has made it easy for you to locate sport and recreation programs, offered by the City of Pickering, that meet the eligibility requirements of the Children's Fitness Tax Credit. Each eligible program will clearly state or include one of these icons:

### **\*Eligible for Children's Fitness Tax Credit**

If your child registers for an eligible program, you will receive confirmation indicating "Eligible for Children's Fitness Tax Credit" from the City of Pickering. Please keep your receipt as you may be required to submit it to the Government of Canada to process your Children's Fitness Tax Credit.

If you have any questions about City of Pickering official program receipts, please call Registration Staff at 905.420.4621.
