Dance Parties

Ballet and Jazz Parties 5 - 7 years

An instructor will lead your child and their party guests through an hour of fun and exercise. The class will begin with a fun warm up to popular dance music. The instructor will use a variety of fun games and activities to teach the children basic dance movement. A short routine will be taught to the participants at the end of the class, which can be later performed in front of parents. This party is great for children who have a love for music and rhythm!

Hip Hop Party 8 - 12 years

Our Hip Hop dance party will have participants grooving to popular music and performing hot dance moves. Participants will learn a short Hip Hop dance routine and will play some fun dance games while listening to their favourite music. This party is a great way to get your pre-teen interested in one of the most fun forms of fitness.

Contemporary Dance Party (So you think you can Dance?) 10-12 years

Contemporary dance is one of the most popular dance forms today. Contemporary dance is a beautiful dance form which is performed to slow music. The instructor will be leading a warm up to popular dance music and will teach basic contemporary technique in an hour dance class. The instructor will combine the moves and technique that has been taught to the participants into a final dance routine.

Specify type of party when booking
