

# Afghanistan 360°

## Multimedia Exhibit

### OPEN HOUSE

**Tuesday,  
September 22**

Please join us as we welcome two Members of the Canadian Military who will be making a special appearance at the exhibit. An Officer from the Canadian International Development Agency and a Member of the Canadian Forces will share their experiences with respect to Canada's signature projects, priorities and military efforts.

## SEPTEMBER 21 - 25

**Pickering Civic Complex 8:30 am to 4:30 pm**

Afghanistan 360° showcases Canada's six priorities and three signature projects through a myriad of visuals, short videos, and narrative. Its purpose is to inform Canadians about Canada's complex and often misunderstood role in Afghanistan. In addition, visitors will also have a unique opportunity to send personal messages to those who are currently serving in Afghanistan.

Do not miss this opportunity as to date Pickering is the first and only Ontario stop in the Afghanistan 360° nationwide tour.
