

## WE VALUE YOUR INPUT!

### Please join us to discuss how to improve transit service on Highway 2 (Kingston Road) in Pickering and Ajax

Highway 2 is Durham Region's primary transit corridor. In recognition of transit's important role in the Region, the Province of Ontario has committed funding to implement the first stage of Bus Rapid Transit (BRT) service on Highway 2.

On April 30 and May 3, Durham Region will host information centres to discuss potential roadway improvements designed to enhance transit service along Highway 2 in three "transit priority opportunity areas" in Ajax and Pickering (see map below). Improvements may include curbside bus only lanes, high-occupancy vehicle (HOV) lanes, mixed traffic lanes, or a median transit way. The public information centres will be arranged in an open house format providing information on the Highway 2 Transit Priority Measures study, the transit vision for the corridor and future opportunities to get involved.

**1** **Saturday, April 30**  
**Pickering Town Centre**  
**Upper Level, Entrance #2**  
**(north side, centre entrance)**  
 1355 Kingston Rd., Pickering  
 Drop by anytime between
